

Parks and Recreation

A Northbrook Park District Newsletter

Vol. II, NO. I ★ January 1998

Input from our residents...

D. Shulman of Northbrook wrote to us recently regarding her child's participation in the "Extraordinary Kids" class - (Fall 1997)

"I have never had my child participate in a class that was so well organized, educationally appropriate, and beautifully instructed as this course. The teachers are superb and the materials are excellent. The course itself provides an in-depth understanding of concepts kindergartners love and are interested in. The 'climate' of the room and the physical set up is terrific." □

Parks & Recreation Newsletter

Vol II, No. 1

Jan. 1998 - "Parks & Recreation" is an official Northbrook Park District newsletter published bi-monthly by the Marketing & Public Relations Department. Distribution is to all Northbrook Park District residents via U.S. Mail. Additional copies of this and other publications are available at Park District Registration and Administrative Offices, and other local Northbrook community locations. The purpose of all Park District publications is to inform and fill the needs of the Northbrook community. We would appreciate your thoughts and comments. Forward response to the Northbrook Park District, Marketing/Communications Dept., 545 Academy Drive, Northbrook, IL 60062. □
